

SHIPPENSBURG BOROUGH AUTHORITY
LEAD-FREE PLUMBING MATERIAL CERTIFICATION

PROPERTY ADDRESS _____

CITY _____

STATE _____ ZIP _____

MUNICIPALITY _____

I, _____, being fully knowledgeable of the
plumbing system located at _____
(Address of Facility)

and being duly authorized to request its connection to the SHIPPENSBURG BOROUGH
AUTHORITY'S WATER SYSTEM, certify that after January 6, 1991, only lead-free
materials were used in its construction and/or repair.

The terms "lead-free" and "plumbing system" shall mean the following:

LEAD-FREE

1. Less than 0.2 percent lead for solder and fluxes.
2. Less than 8 percent lead for pipes and fittings.

PLUMBING SYSTEM

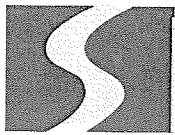

All piping, fixtures and appurtenances used to transport water
to within and from a building. This includes potable, non-potable
and heating system plumbing.

CONTRACT FOR WATER SERVICE

This AGREEMENT made this _____ day of _____, 20____,
 between the SHIPPENSBURG BOROUGH AUTHORITY, (hereafter called "Authority"), and
 _____, (hereafter called "Customer").

The Authority agrees to supply water, at a metered rate, to the property owned by the Customer
 and located at _____, in Shippensburg, PA.

The Customer agrees to pay the Authority, at its office located in Shippensburg, PA, the charges
 for water supplied, in Accordance with the Authority's Rules and Regulations and Rate Schedules.

The Customer understands that he/she/they/it are to protect the water meter from damage, including
 freezing.

The Customer understands and agrees that service is provided through the service line owned, operated,
 maintained, repaired and replaced at the sole cost and expense to the Customer. Said responsibility shall
 extend from the structure to the Authority's water main.

The Customer irrevocably grants to the Authority an easement over and across his/her/their/its premises for
 the purpose of repairing, replacing, maintaining the customer's service line in the event of an emergency.
 Customer further grants the Authority, upon reasonable times, the right to enter the premises of the
 Customer for the purpose of reading, inspecting, repairing or replacing the water meter owned by the
 Authority. The Customer further agrees that should he/she/they/it fail or refuse to permit the Authority or
 its agent or designee to enter the said premises, the Authority shall be authorized to obtain an ex parte
 injunction from the Court of Common Pleas having jurisdiction granting access to said premises for the
 purpose of reading, installing, repairing or replacing its water meter.

The Customer is responsible to notify the Authority, as outlined in Section 18.6 of the Rules and Regulations,
 of change of property ownership.
