## Introduction to the new Shippensburg Borough Manager

*"Hello, my name is Lance Hoover and I have lived in the Shippensburg Area my entire life and I am very proud of our town. I believe that Shippensburg is a great place to live and raise my family. My family and I participate in many of the local events, we attend church in town and we frequent many of the local businesses. I am thankful for this opportunity to serve my hometown. "*

[lhoover@shippensburg.pa.us](mailto:lhoover@shippensburg.pa.us)

---

### **Please Take Note:**

There are no changes in the water/sewer rates for the customers. There is however changes to the Commercial waste per yard. It is currently \$7.50 per yard and it is changing to \$8.50 per yard with the April billing. There is a change to the Recycling rate it will be going from \$7.00 to \$9.00 per quarter starting with the April billing.

### **Refuse and Recycling Changes**

#### **President's Day Holiday – February 17, 2014**

Monday will be collected on Tuesday, Feb. 18

Tuesday will be collected on Wednesday, Feb 19

Thursday and Friday Route will NOT change.

---

#### **Good Friday Holiday – April 18, 2014**

Thursday's route will be collected on Wednesday, April 16.

Friday will be collected on Thursday, April 17

*Refuse Collection Continues*

**Memorial Day Holiday – May 26, 2014**

Monday's route will be collected on Tuesday, May 27. Tuesday's route will be collected on Wednesday, May 28.

Thursday and Friday schedule will NOT change.

**Independence Day Holiday – July 4, 2014**

Thursday, July 3 will be collected on Wednesday. Friday, July 4 will be collected on Thursday. Monday and Tuesday will NOT change.

**Labor Day Holiday – September 1, 2014**

Monday's route will be collected on Tuesday, September 2.

Tuesday will be collected on Wednesday, September 3.

Thursday and Friday route will NOT change.

**CARBOARD PICK UP WILL NOT CHANGE**

**COMPOST PASS**

Compost passes are available during regular business hours. Borough Residents are at no-charge with identification.

Non-Borough residents cost will remain at \$20.00 per calendar year at the current time.

**GARDEN WASTE COLLECTION**

*Will be the week of April 21, 2014 through April 25, 2014.*

*Collection of tree and garden waste will occur once in the Spring and once in the Fall. The collection will coincide with the Borough's trash collection schedule. Residents are reminded that leaves, grass, sticks and other lawn refuse is not permitted to be blown into or placed in the street except during fall leaf collection and then leaves only may be placed at the curb no earlier than a week prior to scheduled collection.*

*This is to prevent storm drains from being blocked.*

**Borough Spring Clean-up**

Clean-up week will be conducted the week of May 12, 2014. This collection of materials will follow the same route as the pickup of residential trash. Arrangements MUST be made through the Borough Office and paid for in advance of the pickup of any bulk items. Check the website or call the Borough Office for additional information.

## Borough of Shippensburg Spring Newsletter

**Generator moving:** The generator that supplied back up power to the Forest Ridge Booster station is moving to a new home. Forest Ridge is now fed by the new Timberhill Water tank and does not need a booster pump so the generator is moving to the Huckleberry Booster station. This will supply back up power for the booster station in the event of a power failure.

**Water Service Information:** The water department only maintains the water main, the tap on the main and the water meter. All parts of the water line are the responsibility of the property owner including the portion under the road surface.

**Leaks:** Leaks on the service line are also the responsibility of the property owner and must have repairs done promptly. Any water that passes through the water meter will be billed to the customer. When multiple customers on a single line are discovered it is the property owner that needs to have the problem corrected. This will require a new water service line installation from the water main in the street and to the current Authority standards.

**Annual Leak Audit:** In the May to June time period the water department will conduct its annual water system leak audit. This audit will discover water leak in the system to help reduce the amount of unaccounted for water.

**Water Treatment Plant:** An additional treatment process will be added to the water plant this year in an effort to treat the water more efficiently.
